West Lothian Council

Disabled parking places are for people who have severe problems getting around and who currently have a blue badge. To qualify for a disabled persons' parking place you must have a blue badge and a suitable vehicle must be registered to your address.

If you think that you meet these requirements and want to apply for a disabled parking place, please fill in both sides of this form and return it to **Road Safety and Traffic Management, Transportation, West Lothian Council, County Buildings, High Street, Linlithgow, EH49 7EZ.**

Please remember

- You must have your blue badge on display in your car at all times, as the police can fine people who are committing parking offences. If you do not show your blue badge, you may have to pay a fixed penalty.
- These bays are not for any one person or for any one household. Any vehicle displaying a blue badge may use a disabled parking place.
- We will check the documents you send us with this application.

Please remember that the Roads Authority decides whether or not to provide a parking bay. It may not be possible to provide a parking bay in some areas, because of the disruption this may cause to traffic.

We cannot process your application without copies of the documents we have asked for. Please make sure you attach these documents.
