ONLINE FEEDBACK PROVIDED	Date received: 1 st September 2025			
	Total cost of work: £492			
	Description of work: Installing 7 lights at my new home, adding a switch for an alarm, installing a dimmer switch in the en-suite bathroom.			
	Comments: David and Callum are a father and son business. They work well together, where there were issues they explained the options clearly so a decision could be made, they provide an exceptionally high quality of workmanship, they both have a good sense of humour and I'd recommend them as they do a quality job.

ONLINE FEEDBACK PROVIDED	<p>Date received: 12th April 2024</p> <p>Total cost of work: £1068</p> <p>Description of work: Outdoor socket box changes, installation of outdoor wall lights and floodlight. Under kitchen cabinet LED lights and wall mirror light installation.</p> <p>Comments: Very unprofessional. Father and son who bicker with each other all day and huff and puff their way through work. Messy and disorganised. Disrespectful towards private things in my home and lack of concern for leaving doors wide open while raining and cold outside and having a small dog in the house that could have escaped. Quick and happy to quote with nothing being a problem. Very different attitude once they start the work.</p>

Trader right to reply:

As shown by other very positive reviews on this website, we have, for more than 34 years been a well respected and highly rated company.

As this is the second time we have worked for you we are saddened you could not approach us with your comments before you posted them on various places on the internet.

ONLINE FEEDBACK PROVIDED	<p>Date received: 25th January 2024</p> <p>Total cost of work: £192</p> <p>Description of work: 1. Advise on new shower unit which best suited my needs. 2. Install new shower unit, and set up same. 3. Correct wiring faults regarding hall light switches. 4. Reconnect ceiling pendant unit and test same.</p> <p>Comments: 'Allbright' made the initial visit as promised. They were punctual on the day they allocated to carry out the job. They both worked without a break and completed the tasks in a very reasonable time frame. They encountered a snag regarding the plumbing of the old shower, but dealt with that efficiently. I was made aware of the costs well in advance, and was happy with the quoted charge.</p>

ONLINE FEEDBACK PROVIDED	<p>Date received: 25th April 2022</p> <p>Total cost of work: £1105.48</p> <p>Description of work: Installation of an electric car home charging point, including initial survey of the location. UK government grant deducted from invoice.</p> <p>Comments: Installed on final day eligible for grants, and Allbright made sure this happened. The work was done professionally, and all relevant paperwork was supplied ASAP to enable additional claim for Scottish grant. The associated app was demonstrated upon completion. I would definitely recommend Allbright.</p>
