## OTHER HOUSING PROVIDERS IN WEST LoTHIAN

There are a number of different housing providers who have properties throughout West Lothian. These housing providers have a range of accommodation as shown in this leaflet.

Some housing providers specialise in particular client groups. Some of the properties are especially built or adapted to meet the needs of applicants with disabilities and Community Care needs.

## NOMINATION AGREEMENT

West Lothian Council has an agreement with these providers called a Nomination Agreement. This means that the Council can nominate applicants from the Council's housing list to fill an agreed number of vacancies that each housing provider may have. An applicant will only be nominated by the Council for vacancies that suit their family size and housing requirements. Housing providers will then consider and assess nominees from the Council in line with their own allocations policy.

**Applicants will automatically be nominated to these Housing Providers unless applicants indicate otherwise on their Housing Application Form.**

## HOUSING PROVIDERS' OWN WAITING LIST

Housing Providers may also operate their own housing list. If you wish to make a direct application to them for housing please contact the appropriate Housing Provider. They can forward an application form and additional information about their allocation policy.
