

Adults With Incapacity & Mental Health Officer Team

In West Lothian we have a team of Specialist Mental Health Officers dedicated to statutory work with adults who have a serious mental health disorder or problems of incapacity. We also offer support and advice to families, partners and carers.

They are the (AWI & MHO Team), Adults with Incapacity and Mental Health Officer Team.

If you need to know more or would like our assistance, please call 01506 775710 or visit www.westlothian.gov.uk
