

Dear XXXX,

Thank you for your enquiry below. West Lothian Council does not provide an asbestos removal service and we have no facilities licenced to accept asbestos. Please refer to the HSE website for a list of Asbestos Licence Holders that can remove asbestos <http://webcommunities.hse.gov.uk/connect.ti/asbestos.licensing/view?objectId=8516&exp=e>.

The following link will provide advice about asbestos removal:  
<http://www.hse.gov.uk/asbestos/faq.htm> . See "I think I may have asbestos in my home what should I do?" At the bottom of the page.

The council also has an asbestos advise leaflet that can be obtained from the housing offices.

Kind Regards

XXXXXX
