Clan Electrical Partnership

NUMBER OF FEEDBACK FORMS RECEIVED: 300 (showing most recent 30)

AVERAGE SATISFACTION SCORE (OUT OF 10): 9.9

The following feedback forms have been completed by previous customers, rating their experience of dealing with Clan Electrical Partnership.

ONLINE FEEDBACK PROVIDED	<p>Date received: 22nd December 2025</p> <p>Total cost of work: £55</p> <p>Description of work: Hardwire new washing machine into junction box.</p> <p>Comments: I cannot speak highly enough about the service we have just received from Clan Electrical. Eilidh managed to squeeze our job in at the last minute, despite being such a busy time of year. Such a friendly and helpful person. Colin, who undertook the work itself went way above and beyond to help my partner's elderly mother and ensure her new washing machine was up and running. So glad we picked them and certainly lived up to all their glowing 5* reviews. Thanks again Eilidh and Colin.</p>

ONLINE FEEDBACK PROVIDED	<p>Date received: 22nd December 2025</p> <p>Total cost of work: £618.98</p> <p>Description of work: Replacement of fuse board and installation of 4 bathroom lights. All parts supplied by Clan Electrical and included in the cost of work.</p> <p>Comments: Colin is very polite, courteous, very knowledgeable and efficient with his work. He is very open and transparent whenever he encounters an unforeseen complication, and will take the time to showcase the issue and talk through what the options are; as well as familiarise you with how to operate any new systems that are installed. Eilidh provides a friendly and welcoming experience when organising an appointment, and provides a comprehensive quote for the expected cost of work.</p>

ONLINE FEEDBACK PROVIDED	<p>Date received: 4th August 2025</p> <p>Total cost of work: £650</p> <p>Description of work: Installing an EV charger to an external garage. Included running an up-rated cable through an existing duct, replacing external consumer unit and appropriate surge protection.</p> <p>Comments: Clan offered a common sense approach to a tricky install. They worked hard to minimise cost and the job was left really neat and tidy. Would strongly recommend for any electrical works.</p>

ONLINE FEEDBACK PROVIDED	<p>Date received: 1st August 2025</p> <p>Total cost of work: £587.78</p> <p>Description of work: We had a new cooker hood installed as well as two new trickle fans (one in kitchen and the other in the bathroom). We had no idea what it was we needed so had asked Eilidh and Colin for advice and any recommendations. They were both very helpful and patient with all of our questions. Colin arrived at 8.30am and worked non stop until after 4pm. He explained everything he had done and left both rooms tidy. Colin had to drill through tiles very neatly with no damage</p> <p>Comments: I would absolutely recommend Clan Electrical to anyone looking for electrical work. As well as doing a great job, they are extremely helpful.</p>

ONLINE FEEDBACK PROVIDED	<p>Date received: 18th July 2025</p> <p>Total cost of work: £60</p> <p>Description of work: Wired doorbell troubleshooting and repair.</p> <p>Comments: Colin has a friendly and sociable manner. He quickly identified the cause of the problem and made a temporary repair until he could source a replacement part. He subsequently fitted the replacement part on the agreed day with everything going as planned.</p>

ONLINE FEEDBACK PROVIDED	<p>Date received: 11th July 2025</p> <p>Total cost of work: £500</p> <p>Description of work: As a landlord, I use this company regularly for electrical inspections and repairs. The costs can vary based on the work involved, however I do find Clan Electrical Partnership to be very competitive and reliable.</p> <p>Comments: As a landlord, I use this company regularly for electrical inspections and repairs. The costs can vary based on the work involved, however I do find Clan Electrical Partnership to be very competitive and reliable. Nothing is too much trouble, from estimating the cost of repairs, liaising directly with tenants to schedule work, carrying out the work and sending a full report with photos, where applicable. I would fully recommend Clan Electrical Partnership to anyone.</p>

ONLINE FEEDBACK PROVIDED	<p>Date received: 27th June 2025</p> <p>Total cost of work: £1260</p> <p>Description of work: New lights and electric sockets installed</p> <p>Comments: Colin and Eilidh came round to quote, they were friendly and professional and asked pertinent questions about what I was wanting to have done. They struck me as knowledgeable and experienced, and were happy to answer questions I had and make suggestions to things I wasn't sure about. Colin and Mackenzie have now completed the work and the standard has been excellent. They did a very neat and tidy job, and it is exactly what I was looking for. I would recommend Clan Electrical to anyone.</p>

Customer Ratings (Out of 10)	10	10	10	10

ONLINE FEEDBACK PROVIDED	<p>Date received: 23rd June 2025</p> <p>Total cost of work: £300</p> <p>Description of work: Three jobs carried out: first to disconnect the electrics in my sold shed then second to reconnect in the new shed and install light and power socket. 3rd job was to install an additional power socket in the study.</p> <p>Comments: Great family run business. First class service from start to finish. Eilidh was very helpful with my enquiry and Colin did a very tidy job. Both were happy to make recommendations regarding light and fittings. Works certificates provided at the end of each job. Prices were very competitive and they're now my go to company for any electrical jobs in the future.</p>

ONLINE FEEDBACK PROVIDED	<p>Date received: 12th June 2025</p> <p>Total cost of work: £468</p> <p>Description of work: Installation of EV charger and four minor electrical jobs.</p> <p>Comments: We were really pleased with the work done. From the original enquiry and advice through to completion. There was a minor issue with the installation of the EV charger that Colin came back to fix straight away. Clan seem a trustworthy local business that we would be happy to use again.</p>

Customer Ratings (Out of 10)	10	10	10	10

ONLINE FEEDBACK PROVIDED	<p>Date received: 14th March 2025</p> <p>Total cost of work: £55</p> <p>Description of work: Removing & disconnecting wall light. Checking electrical safety: removed fuse & checked that it was the only one on the board.</p> <p>Comments: They went out of their way to fit in this small job at very short notice enabling us to put our new bookcase in place. This was exceptionally kind as we were new customers. Colin came first thing in the morning before going on to another job. Despite this he took the time to do a thorough job. The charge was very reasonable - prior estimates & call out charge were waived in this instance. Very helpful & courteous service. Will use Clan Electrical again & would strongly recommend them.</p>

ONLINE FEEDBACK PROVIDED	<p>Date received: 11th December 2024</p> <p>Total cost of work: £55</p> <p>Description of work: Identify reason for failure of underfloor heating system and then returned to fix the fault once part arrived.</p> <p>Comments: Hugely grateful to the Clan Electrical team who assisted when our underfloor heating gave up in -4 temperatures. Eilidh managed to get the team out to us within a day and they quickly identified the problem and advised what was needed (thankfully that wasn't a whole rip out!). As soon as the part arrived (which I ordered myself) we were fitted in again and heat was restored. Incredibly grateful and fairly priced as always.</p>
