

WL28 Nell Burn Path

Start, route and finish

This is a 1.7 mile (2.7km) path that starts in the north at the A89 at Wester Dechmont and then heads south through woodland near Woodlands Park and Beechwood Park to eventually cross Deans East Road by an underpass near St John Ogilvie Primary School. Passing to the west of the school's playing fields, it heads south through open space and woodland strips before passing under the Bathgate to Edinburgh Rail Line and then under Houston Road. It strikes west and south through woodlands that are part of Livingston Old Wood, which is the setting for Eliburn Reservoir, before terminating at WL1 National Cycle Route 75.

WL29 Railway Path

Start, route and finish

This is a 5 mile (8km) path that, as its name suggests, runs west to east parallel with the Bathgate to Edinburgh Rail Line in north Livingston. It starts in the west where it leaves Deans South heads east and soon meets WL28 Nell Burn Path to use the railway underpass. However, it then heads east again passing below Deans East Road at Livingston North Railway Station and passes to the north of Knightsridge to cross beneath the A899 just to the south of the Livingston East/Deer Park Roundabout. On the eastern side of the A899 it heads south on a whindust path to reach the end of Nettlehill Road. After heading east along the industrial estate road for a quarter of a mile, the path turns north by way of Todd Square. This then leads onto the cyclepath again which heads east to terminate on the main road through Uphall Station.

WL30 Harrysmuir Path

Start, route and finish

This is a 1.2 mile (1.9km) path that heads east at Harrysmuir Primary School, Ladywell from WL31 Loan Path, crosses the A899 by a long high bridge, for pedestrians and dismounted cyclists, before passing between Craigswood Sports Centre and the south side of Houston Industrial Estate to reach Grange Road. It crosses Grange Road and then by following Harrysmuir Road reaches the main road through Pumpherston.

WL31 Loan Path (north section shown on map S and south section shown on map R)

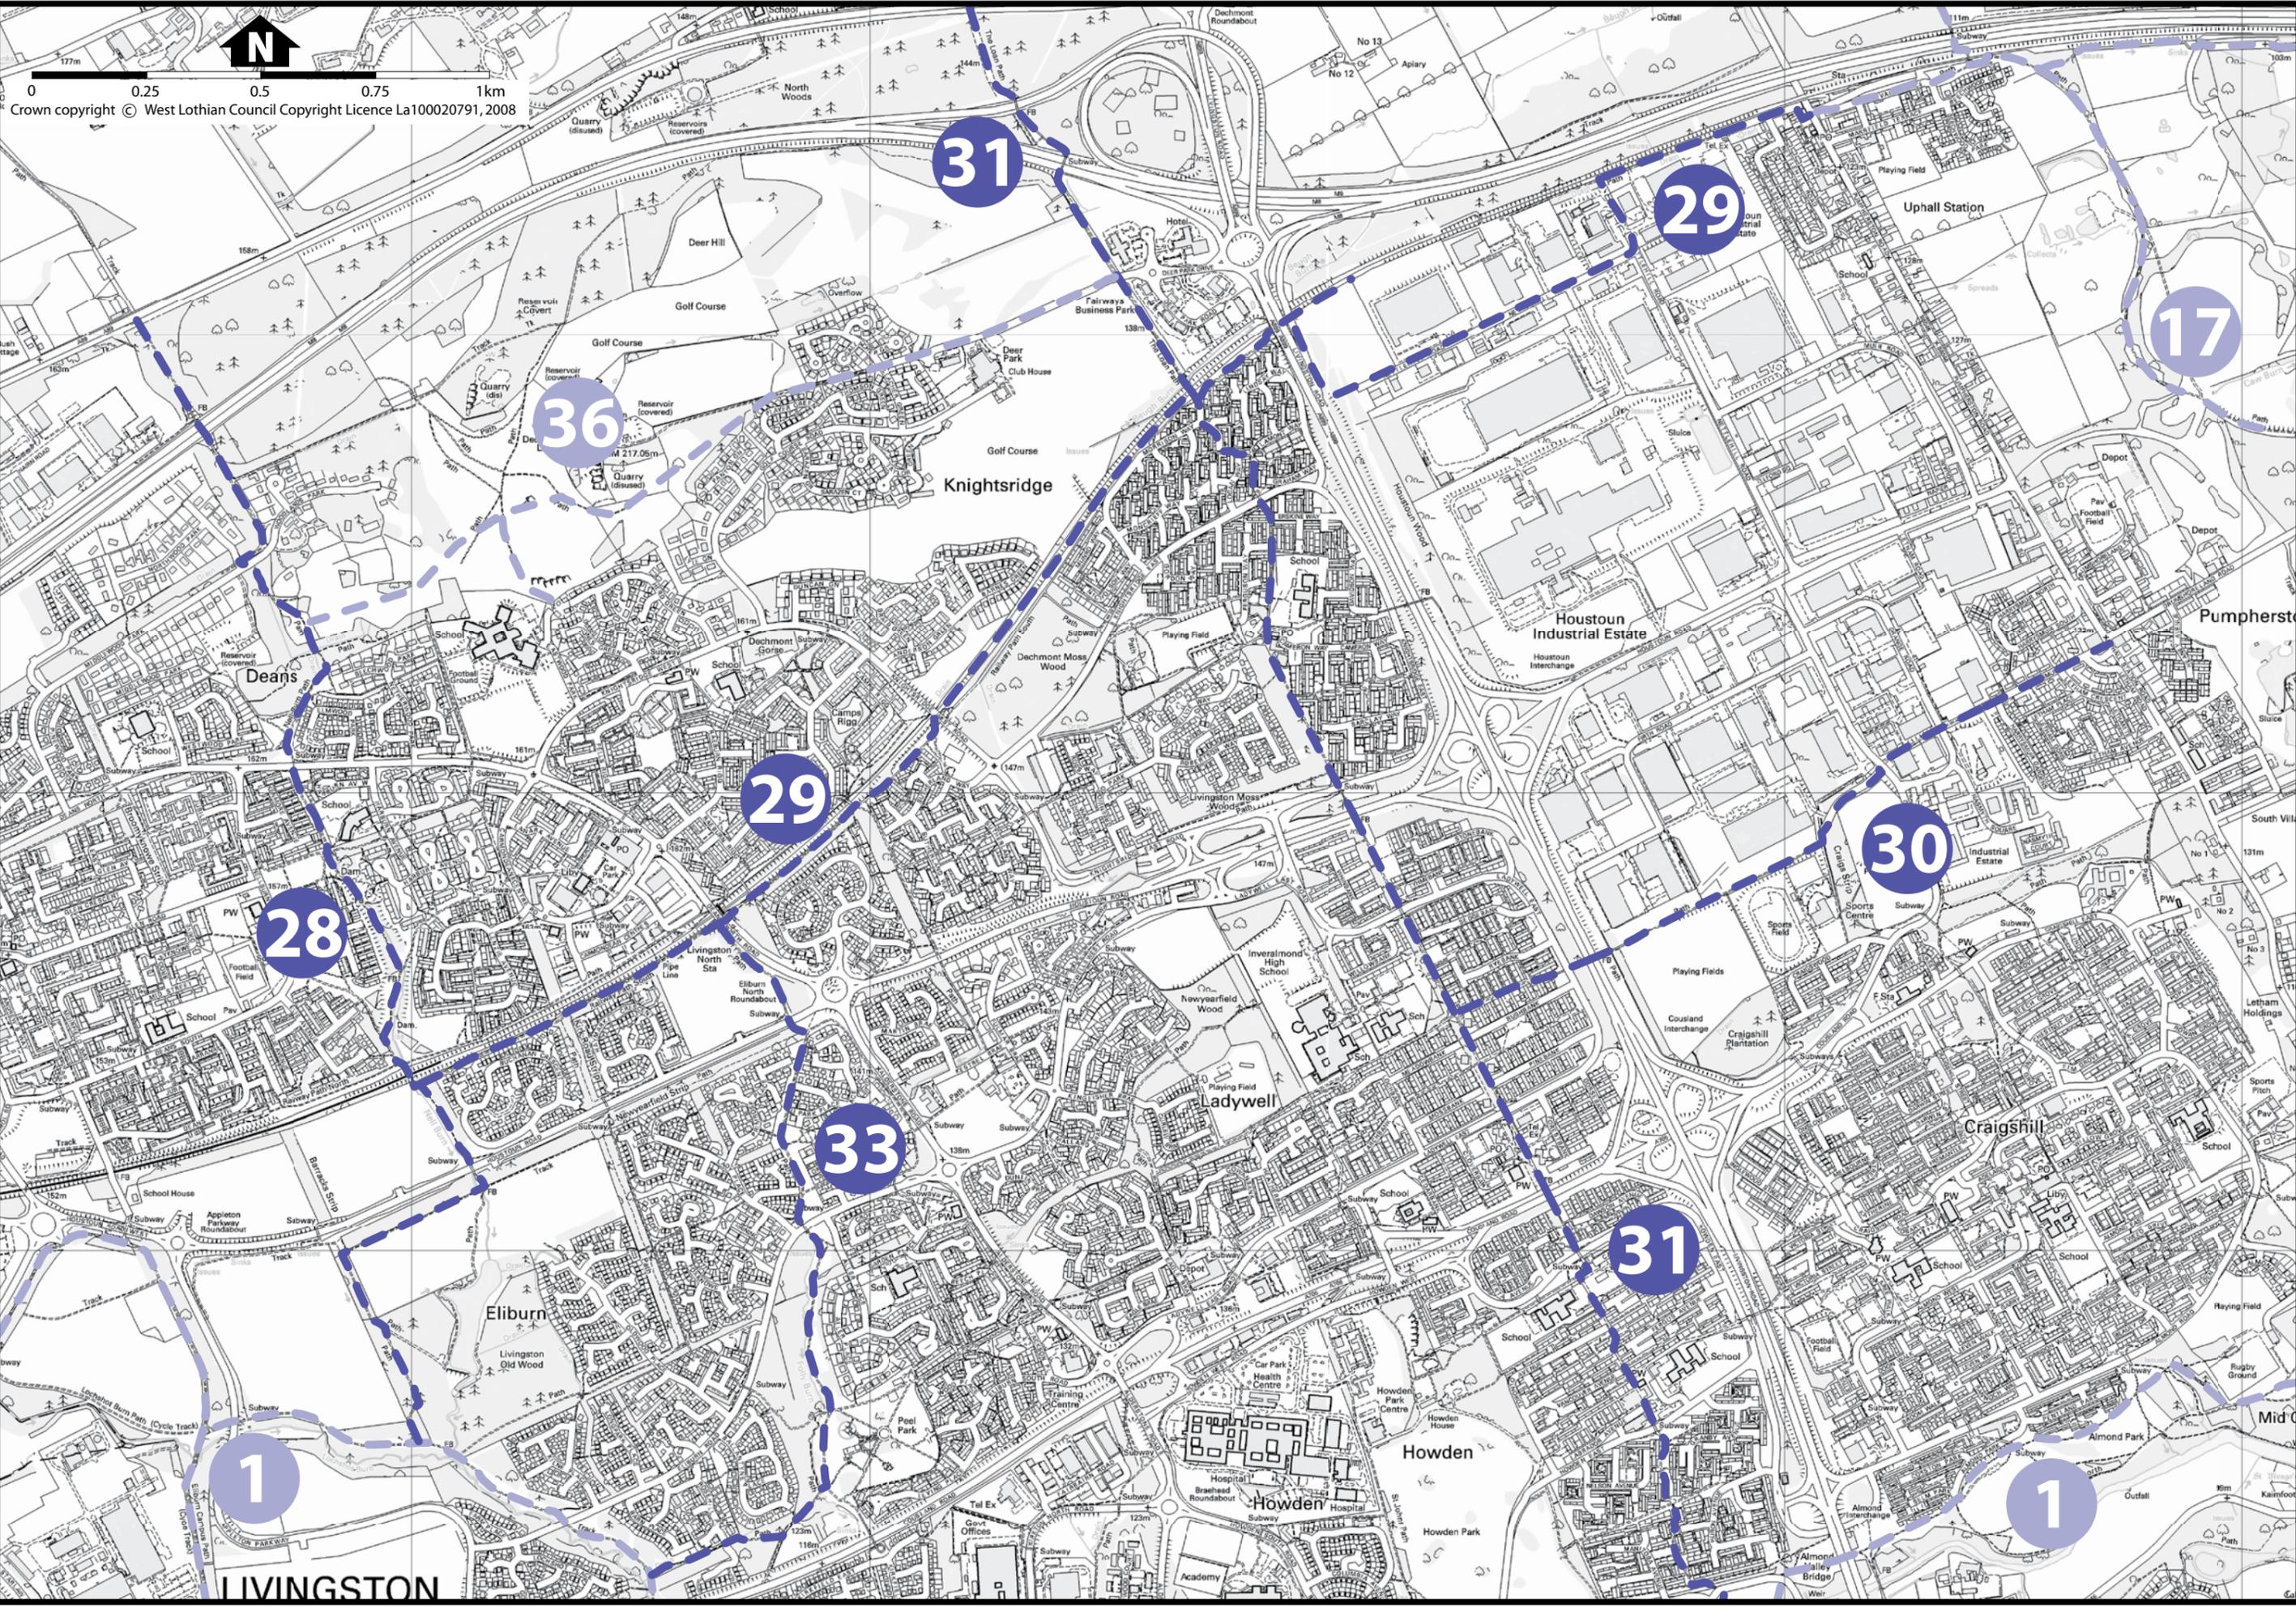

Start, route and finish

This is a 4.8 mile (7.7km) path that dissects Livingston from north to south. It starts in the north at the A89 opposite Knightsridge Road in Dechmont. It then heads south initially following a section of former highway before taking a footbridge over the Junction 3 exit slip road from the M8. It then drops down to go through an underpass below the M8 itself, to follow a woodland strip on the eastern boundary of the Deer Park Golf and Country Club. It meets WL36 Dechmont Law Link at the road crossing and continues south to cross over the Bathgate to Edinburgh Rail Line after which it crosses WL29 Railway Path. It then passes through the eastern edge of Knightsridge and Ladywell, crosses WL30 Harrysmuir Path at the primary school before crossing WL1 National Cycle Path 75 near the River Almond to the east of the centre of Livingston. It continues south through Dedridge and at Williamson Primary School strikes west passes under Murieston West road to terminate at Alderstone Road at Bellsquarry Wood.

WL33 Folly Burn Path

Start, route and finish

This 1.1 mile (1.8km) path heads south-east from WL29 Railway Path at Livingston North Railway Station and crosses over Houston Road by a high bridge just to the west of Eliburn North Roundabout. It then heads south through a thin strip of open space and after crossing under Eliburn Road enters a broader area of wooded open space which leads through to Peel Park. After leaving the park the path turns westwards passing through open space to the north of Cousland Road before meeting WL1 National Cycle Path 75.
