1. INTRODUCTION

The Council recognises that excursions out of school enhance the educational experience of pupils. They should have a clear educational purpose and pre-determined educational objectives which underpin the Curriculum for Excellence Framework. These should be shared with parents/carers. It is essential that excursions are properly planned. This policy is designed to provide a framework for excursion leaders to use when planning an excursion. This policy will not apply to excursions organised by parents or the parent council.

The School Excursion Policy is designed to ensure that risks arising from excursions are minimised, so that the safety and wellbeing of pupils is protected.

Our local policy is implemented within the framework of national Scottish Government Guidance. The Scottish Government recognises that while local authorities' guidance and regulations remain authoritative, it is expected that 'Going Out There', the national advice, should be adopted as a common framework across Scotland by all those managing or organising visits or providing activities and venues. A key feature of 'Going Out There' is that it adopts a low bureaucracy, enabling approach to outdoor experience and off-site visits, reflecting the step change in the approach to educational visits detailed in the HSE High Level Statement, '[School trips and outdoor learning activities: Tackling the health and safety myths](#)'. The HSE statement makes clear that:

- The focus should be on how the real risks arising from such visits are managed rather than a focus on paperwork*
- There is a need for a proportionate and sensible approach for planning and organising off-site activities*

In implementing this policy, therefore, it is necessary to adopt a robust approach to planning and organising excursions whilst at the same time ensuring that the approach is proportionate and sensible, and focuses on managing real risk rather than on paperwork.

2. DEFINITION OF SCHOOL EXCURSION

An excursion is any visit that is arranged by teachers and other West Lothian Council staff for pupils. This will include day or evening visits of a curricular nature, day/evening visits of an extra-curricular nature, overnight/residential excursions, outdoor education and foreign excursions, and will include the following examples:

In the case of repeat and regular excursions, mandatory permissions and advice as set out in Section 4 below, and the mandatory planning checklist set out in Section 5 need only be completed

- on the first occasion the excursion is undertaken;
- when any significant change to the excursion is made; and
- at least annually thereafter.

4. MANDATORY PERMISSION AND ADVICE FOR ARRANGING SCHOOL EXCURSION

This is the **mandatory** procedure to be followed for all school excursions. It is **essential** that each step is followed.

- ***Approval must be sought, as set out below, at the start of planning for excursions before any arrangements are made i.e. collecting deposits.***
- Member of staff organising excursion undertakes initial risk assessments following the instructions in Section 8 of this policy.
- Member of staff organising excursion must seek appropriate **professional advice and guidance** (from designated council officers, identified below) depending on the nature of any activities to be undertaken i.e. sporting activities, activities with risk to participants.
- Member of staff organising excursion must seek **school permission** by completing form EE0 form - Request for Approval of School Excursion and submits it to the Headteacher, or designated member of SMT with responsibility for school excursions, along with supporting documentation including initial risk assessments, and any professional advice sought, for approval.
- Once school approval obtained, member of staff organising excursion must seek **Central Education Services** approval by completing form EE1– Request for Approval of School Excursion involving Foreign Travel, Overnight Stay or Outdoor Education where appropriate. Form EE1 is submitted to the relevant designated officer for approval, and any professional advice sought. This should be undertaken at least **four weeks** before the proposed excursion (**eight weeks** for a foreign excursion).

Designated officers for EE1 approval are identified according to the EE1 request.

- Applications relating to Sport and Outdoor Education excursions should be directed to the Active Schools and Community Sport Manager.
- Applications relating to Duke of Edinburgh or Community Learning and Development excursions should be directed to the CLD Youth Services Manager.

- Once form EE2 returned from parents/carers member of staff organising excursion must seek **advice on any medical issues/additional support needs/other needs** raised (from Occupational Health/Health and Safety/Additional Support for Learning

Team)

- ***If the above permissions and advice have not been obtained an excursion cannot take place. It is the responsibility of the member of staff organising the excursion to leave sufficient time for all steps to be completed, and to liaise with those required to give permission or advice. Please note that EE1 applications must be submitted with all relevant documentation at least four weeks before the proposed excursion (eight weeks for a foreign excursion).***

- Assist in ensuring the health and safety of the participants, and the maintenance of order and discipline.

6.4 Parents/Carers Responsibilities

- Not take unnecessary risks

- Follow the instructions of the Excursion Leader, other staff, and staff at the venues visited
- Dress appropriately
- Behave in accordance with normal school rules and discipline or code of conduct where appropriate

7. CODE OF CONDUCT

The excursion leader must establish expectations of behaviour in advance for both pupils and parents/carers.

For day/evening excursions pupils and parents/cares should be informed that:

- normal school rules and disciplinary sanctions apply and that a high standard of behaviour is expected.
- pupils must follow the instructions of the excursion leader and other supervisors including those at the venue of the excursion
- pupils must dress appropriately

A written code of conduct must be put in place for overnight and foreign excursions. The excursion leader must make it clear to participants that they must accept the code of conduct as established in advance of the excursion. Parents/carers will be informed that they are expected to reinforce the excursion's code of conduct with their child.

Parents/carers should be asked to agree the arrangements for sending a participant home and if necessary, who should meet the cost.

A sample code of conduct is included as appendix 4.

8. RISK ASSESSMENT

The Council is responsible for the health safety and welfare at work of its employees, and has a duty to ensure, as far as is reasonably practicable, the health and safety of others. This includes all participants in school excursions.

A risk assessment must be carried out for all excursions, The purpose of a risk assessment is to ensure that all significant risks have been identified and control measures implemented prior to the Head Teacher submitting to the designated Council officers for approval.

Risk assessment should include the following considerations:

- What are the hazards (including during travel)?
- Who might be affected by them?
- Are staff competent and sufficiently experienced to lead the excursion, taking account of the nature of the excursion and the hazards identified?
- What supervision ratio is appropriate to the excursion and the participants?
- What safety measures need to be taken to reduce the risk?
- Can the group leader ensure that the safety measures in place are adhered to?
- What steps will be taken in an emergency?
- What steps can be taken to ensure Child Protection?

Many venues will have conducted their own risk assessments which can be made available to visiting schools. These may be incorporated into, or used as the basis for, the excursion leader's risk assessment, but will not remove the necessity of conducting risk assessments, and the responsibility for conducting risk assessments, as set out in this section. The Excursion Leader should consider the qualification of the person conducting the venue's risk assessment, if known, and how recently it was carried out.

Completed risk assessments must be submitted to Headteacher, or designated member of SMT with responsibility for school excursions, for retention. **A copy of completed risk assessments must accompany form EE1.**

Training in carrying out risk assessments is available through the CPD directory.

Examples of risk assessment forms, and further guidance are accessible in Edweb (see Section 18).

9. FIRST AID

First Aid must form part of the risk assessment for the excursion. The excursion leader must assess what level of First Aid might be needed. This must take into account the medical needs of pupils participating in the excursion as declared on the Form EE2 or otherwise disclosed to the school. Provision must be made to cater for the particular needs of pupils participating in the excursion, for example administration of epi-pen.

The Excursion Leader must have ready access to a suitably stocked First Aid kit. One member of staff accompanying the excursion must be designated as responsible for first aid. All adults on the excursion should know how to contact the emergency services.

For overnight and foreign excursions it is essential that at least one member of staff accompanying the excursion holds a current first aid certificate.

For day/evening excursions the risk must be assessed. Factors to consider will include the individual medical needs of participants, the length of time the excursion will last, whether the excursion will take place in an area remote from emergency assistance.

10. MEDICAL AND OTHER NEEDS, INCLUDING DIETARY NEEDS

The Excursion Leader must hold written information detailing participant's medication and other needs, including dietary needs, and must put in place arrangements to ensure that these needs can be met.

All adults accompanying the excursion should be aware of participant's medical and other needs, including dietary needs. A member of staff accompanying the excursion should be identified as having responsibility to support and administer medication if required to do so, in line with the Council's Guidance on the Management of Medication, Medical Assistance and Therapy Intervention in Educational Provision.

Training may be required to be put in place for the member of staff to fulfil this role. It may be appropriate to ask a parent/carer or a support worker to accompany a pupil in order to ensure their well-being.

The following information will be required from all parents/carers:

- details of medical condition
- dietary requirements
- emergency contact numbers
- GP's or appropriate medical practitioner's name, address and phone number
- written details of medication and how it should be administered
- parental/carer permission if the participant needs to administer their own medication or agreement for a member of staff accompanying the excursion to do this.
- advice/information to assist with the preparation of an emergency plan

11. SUPERVISION

It is important to have a suitable ratio of staff to participants for all excursions. Parent/carer helpers can be included for the purposes of calculating ratios.

The following ratios are recommended:

- 1 adult to 15 participants for excursions where the element of risk to be encountered is similar to that normally encountered in daily life, e.g. excursions to sites of historic interest, most field work, local walks etc.
- 1 adult to 10 participants for all excursions abroad, with a minimum of two adults, with an appropriate gender mix to be considered.
- 1 adult to 15 participants for all residential excursions, with a minimum of 2 adults, with an appropriate gender mix to be considered.
- 1 adult to 6 (or fewer) participants for children under the age of 8 and pupils with additional support needs, with a minimum of two adults.
- For pre-school aged children, the appropriate supervision ratio may be as high as 1 adult to 2 children. Particular care should be taken when determining the appropriate level of supervision for pre-school aged children.

The Excursion Leader must consider the number of staff necessary for supervision in the planning stages. Supervision requirements should be considered as part of the initial and final risk assessment. Any departure from the recommendations above must be supported by a risk assessment which records the reasons for the decision.

The factors to take into consideration include:-

- sex, age and ability of group
- those with additional support or medical needs
- nature of activities
- experience of adults in off-site supervision
- duration and nature of the journey
- type of any accommodation
- competence of staff on specific activities
- requirements of the organisation/location to be visited
- anticipated behaviour of participants
- First Aid requirements

Residential excursions to Low Port Centre may be considered as an exception from the above recommendation, on the basis that its location in West Lothian would allow the attendance of school staff in an emergency, for example to escort a child home. In considering supervision levels at Low Port Centre, the Excursion Leader should also take account of its status as a Council supported Trust establishment,

For higher risk activities, consideration will need to be given to greater adult supervision, as appropriate, for example 1-6 on river activities, 1-3 in dinghy sailing etc. In the case of higher risk activities, the advice of the Team Leader, Sport and Outdoor Education should be sought.

For higher risk activities, and activities where certain qualifications are required, the Team Leader, Sport and Outdoor Education should be consulted. Remember to check that the qualifications of those providing the activity are up-to-date, relevant and specific to the activity.

The Excursion Leader, prior to departure, should give consideration through the risk assessment process to the composition of groups where appropriate and allocate staff in relation to group activities.

Staff assisting with the excursion should only be left in sole charge of participants where this had been previously agreed as part of a risk assessment.

For overnight and foreign excursions the Excursion Leader must put in place appropriate sleeping arrangements and ensure adequate and appropriate staff supervision of pupils during the night.

Working without immediate supervision can help learners develop independence and self reliance. It is not envisaged that all activities out with the school boundary will be subject to direct supervision, including pupils attending classes at other schools or colleges, or undertaking work experience. In such cases, the age and capacity of the child or young person must be considered and explicit parental agreement obtained. Pupils must be fully briefed with regard to what to do in the event of delays, missed transport, incidents or accidents.

12. EQUAL OPPORTUNITIES

Equalities legislation makes it unlawful to discriminate without justification against pupils in all aspects of school life including school excursions. All pupils should be able to participate in excursions and activities, irrespective of additional support, medical needs, ethnic origin, gender, religion and belief and economic circumstance. All young people should be encouraged to participate in as wide a range of activities as possible.

Legislation makes it unlawful for a disabled pupil to be less favourably treated, or put at a substantial disadvantage, for a reason related to their disability in comparison to their non- disabled peers without justification. Pupils with a disability or additional support needs must be given the opportunity to participate in excursions. Special attention should be given to appropriate ratios and additional safety measures should be considered at the planning stage. Where a pupil cannot participate in a particular activity as a result of a disability or an additional support need, an alternative activity of equal educational value, should be provided.

13. CHILD PROTECTION

All members of staff involved in excursions must be trained in Child Protection and be able to follow the correct procedures. The Excursion Leader will take the role of Designated Member of staff for Child Protection and will follow the Edinburgh and Lothian's Child Protection Procedures.

Child Protection should be considered during all risk assessments conducted in relation to the excursion, and appropriate steps put in place to minimise risks.

All accompanying staff/helpers on residential visits should be PVG checked.

14. CONTINGENCY PLANNING

The Excursion Leader is responsible for contingency planning. Plans may have to be changed without notice for a variety of reasons. The Excursion Leader should consider potential circumstances where plans may need to be changed, and a potential response, in relation to each individual excursion.

The Excursion Leader and other staff accompanying the excursion should monitor risk throughout the excursion and take appropriate action as necessary.

Regular head counting of participants should take place. The Excursion Leader must establish rendezvous points and tell participants what to do if they become separated from the group.

The following guidance must be considered in relation to each excursion:

- The Excursion Leader and staff accompanying the excursion should have mobile phones so that immediate contact can be maintained where possible. Additional planning is necessary in the case of remote areas where reception may not be possible.
- In the case of foreign excursions the Excursion Leader and staff accompanying the excursion must ensure that their mobile phones will operate in all countries to be visited.
- Participants and their parents/carers must be made aware that last minute changes may be necessary and that they must follow the instructions of the Excursion Leader and staff accompanying the excursion in such circumstances.
- the Excursion Leader is responsible for making the decision to make changes
- the Excursion Leader will consider the safety of participants when making any changes
- the Excursion Leader must carry "Immediate Action" cards setting out the emergency action outlined in Section 15 below in response to Category 1-3 emergencies.
- The Excursion Leader and staff accompanying the excursion should know how and where to contact appropriate help, e.g. if abroad knowledge of how to use local telephone system, knowledge of relevant local numbers and appropriate coins or cards for public telephone use.
- In the case of outdoor pursuits, e.g. hill walking, sailing, canoeing, the Excursion Leader and staff accompanying the excursion should know how to call on the assistance of local rescue services.
- Where appropriate, official rescue services should be given details of proposed activities e.g. for coastal sailing and canoeing contact HM Coastguard.

15. EMERGENCY PROCEDURES

Excursion Leaders and staff accompanying the excursion have a common law duty to act as a reasonably prudent parent would. They should not hesitate to act in an emergency and to take life-saving action in an extreme situation.

The Excursion Leader must consider contingency plans and plan for emergencies. Emergencies range from what is categorised as minor (Category 1) to very serious (Category 3).

In the event of an emergency the Excursion Leader will take the principal role. The Excursion Leader will assess the situation, delegate and take appropriate action. Contingency planning should identify another member of staff who will take over if the excursion leader is incapacitated.

Examples include:

Category 1	The coach breaks down en-route or on return Road works cause delay Bad weather causes delay	The Excursion Leader will implement contingency plans, and inform school/parents/carers of any changes in pick-up time etc as required.
Category 2	A pupil is injured (non life threatening) and needs medical attention. e.g. broken ankle, bad cut. A pupil becomes ill. e.g. appendicitis	The designated member of staff will provide appropriate First Aid/Emergency Aid. The Excursion Leader will seek appropriate medical assistance e.g. ambulance/doctor ensuring any medical or other relevant information relating to the injured pupil is passed on. The Excursion Leader will ensure the remainder of the group are not at risk and are appropriately supervised. The Excursion Leader must inform the school contact of the situation, and provide updates. The school contact will take responsibility for informing parents/carers. : The Excursion Leader will record in writing circumstances surrounding the incident at the first opportunity, and preserve any evidence. <i>In the event of an accident taking place, the excursion leader should relate the facts about child's conditions and whereabouts and give a brief outline of what has happened. The leader should not admit liability but give the parents/carers the assurance that a full investigation will take place where appropriate.</i> <i>The excursion leader must refer all media representatives to West Lothian Council (01506 280000) and must not make any comment to the media.</i>

Category 3	A pupil or member of staff is seriously injured (life threatening) A pupil or member of staff is killed A coach or car crashes killing or injuring several of the party A pupil or member of staff goes missing	The Excursion Leader, or other member of staff, will inform the emergency services as appropriate, ensuring any medical or other relevant information relating to the pupil is passed on, and act on their advice. The designated member of staff will provide appropriate First Aid/Emergency Aid while waiting for the emergency services to arrive. The Excursion Leader will ensure the remainder of the group are not at risk and are appropriately supervised. The Excursion Leader will inform a member of School SMT as soon as possible, using the agreed emergency contact arrangements, and act on their advice particularly on contact with emergency services. The Excursion Leader will record in writing circumstances surrounding the incident at the first opportunity, and preserve any evidence. Where practical, the Excursion Leader will ensure contact with parents/carers is through the school, and will not permit pupils to use mobile phones The school will inform a member of the Education SMT as soon as possible. The Education SMT will implement corporate emergency procedures including informing Corporate Communications. <i>In the event of an accident or serious incident taking place, the excursion leader should not admit liability but should co-operate fully with the emergency services.</i> <i>The excursion leader must refer all media representatives to West Lothian Council (01506 280000 and must not make any comment to the media.</i>
------------	---	--

Following any serious incident a review of the incident and how it happened must be conducted. The corporate Health and Safety Unit must be informed. In accordance with section B.4 of the council's Financial Regulations, the Financial Management Unit must be informed of any loss, liability or damage or any event likely to lead to an insurance claim. Any lessons learned will be incorporated into policy and risk assessments.

16. INSURANCE

The Excursion Leader must ensure that appropriate insurance arrangements are in place prior to the excursion taking place.

- Travel Insurance should be taken out for any excursion in excess of 24hrs or where there is a significant cost element to the excursion. i.e. Residential camps, foreign travel etc.

The Council has School Journey Insurance available, to obtain a quotation contact the Financial Management Unit.

- Prior to attending any externally operated facility the Excursion Leader should check and confirm that the service provider has appropriate insurance in place.

i.e. The transportation provider has Motor & Public Liability insurance and the establishment you are visiting has Public Liability insurance in place.

Should staff be unsure or require advice the Financial Management Unit can provide schools with further guidance on insurance arrangements.

17. TRANSPORT

The Excursion Leader must give careful thought to planning transport. This should include:-

- Mode of transport i.e. reputable transport provider, transport provided as part of a package, use of public transport, use of Council minibus.
- Contingency funds and arrangements in case of travel disruption.
- Level of supervision on transport. A member of staff driving a Council minibus should not normally be responsible for supervision, although this may be appropriate dependant on the number and age of the participants, and the length of the journey. If under consideration, this should be covered by a risk assessment.

Coaches and buses should be hired from a reputable company, in accordance with Council procurement procedures. Compliance with legal requirements is the responsibility of the transport company, not the hirer.

If using a Council minibus, the Excursion Leader must ensure that drivers have the correct entitlements on their licence, and must follow the Transport – Use of Minibuses Policy.

Parents/carers can provide transport for pupils. Such parents/carers should undergo the same level of checks as a parent/carer helper. Such parents/carers must ensure that they have appropriate insurance cover in place. All other parents/carers should be made aware that transport would be provided by another parent/carer, and should provide written consent to this. The Excursion leader must ensure that any such arrangement is covered by a risk assessment. Parents/carers should also be encouraged to consider the risk of any such arrangement.

18. FINANCIAL ARRANGEMENTS

All financial arrangements, including cash collection and handling, must be in accordance with:

- the Council's Financial Regulations;
- sections 5 and 8 of the the Council's cash procedure i.e. cash holding must be minimised and must not exceed the relevant insurance limit;
- Education School Fund Account Procedures (section B.7) in relation to contributions received from students; all material contributions must be properly receipted and accurate records of income and expenditure, maintained;
