ONLINE FEEDBACK PROVIDED	Date received: 19 th May 2025			
	Total cost of work: £450			
	Description of work: Assembly of L-shaped kitchen island/breakfast bar made out of Ikea kitchen units planned by Ikea.			
Customer Ratings (Out of 10)	Comments: John's eye for detail was fantastic throughout. He went above and beyond on a few occasions when screws were missing, going to screw fix to purchase them himself and to B&Q to get finishing strips. John was also a very tidy worker cleaning up each night before he left. It's the little things like that, that set him apart from other joiners.

ONLINE FEEDBACK PROVIDED	<p>Date received: 12th July 2022</p> <p>Total cost of work: £5000</p> <p>Description of work: The work undertaken to date has included full upgrades to 1 cloakroom toilet, 2 en-suite shower rooms and a family bathroom. I sourced the majority of items, with help from JJS. Work involved strip out and removal of old items (all pedestals, showers, toilets and furniture) and installation of all new units including upgraded pipework/valves where necessary, plus minor electrical work installing downlighters, extractor fans and replacing switches where necessary which were all 20 year old.</p> <p>Comments: All work completed on time with regular communication to confirm all sourced items were available. Flexibility was key and JJS were always concerned about the customer requirements, convenience and expectations. Areas worked in were always left at the end of each night, ready for next day and areas outside immediate rooms clear of all tools and rubbish. Value for money labour costs was evident based on other quotes received. Cannot recommend them highly enough and will be using them again.</p>

ONLINE FEEDBACK PROVIDED	<p>Date received: 18th March 2022</p> <p>Total cost of work: £3500</p> <p>Description of work: Remove and replace 20 year old bathroom furniture in a downstairs cloakroom, 2 en-suite bathrooms and a family bathroom. Purchase of furniture and items were completed by myself separately but I received all necessary support and advice from trader sourcing items from suppliers that he had a relationship with.</p> <p>Comments: Quote received at the outset and a full explanation provided as to why their quote excluded the purchase and delivery of required items. Their advice in this matter was invaluable and in the event 100% reliable. Trader was true to his word, turned up as promised, completed the work to a high standard and kept me very well informed throughout. Work was so good I have used their services again and they are top of my list to consider for any future kitchen installation.</p>
