Blether

We need adults living or working in West Lothian, experiencing communication barriers due to illness or injury to get involved with our 'Gift o' the Gab' communication project.

Can you spare a couple of hours a week to relax, have a cuppa and **NOT** focus on illnesses and injuries!

**Can you help us?**

For more information email:

[library.info@westlothian.gov.uk](mailto:library.info@westlothian.gov.uk)

or enquire in your local library and we will get in touch with you

This project is supported by the Scottish Government Public

Library Quality Improvement Fund
