Roundabout sponsorship scheme information leaflet

Advertise your business by sponsoring a roundabout

Costs for advertising start from £100 per sign per month, but we are happy to offer discounted rates the more signs you take. Charges exclude VAT but include non-domestic rates.

You can choose to sponsor just one sign on a single roundabout – or all of them. Or spread your advertising across a number of different locations. Contact us to find out what's currently available.

We believe our rates compare very favourably with press advertising – one month on all four legs of a roundabout could cost less than a single ad in your local paper.

In addition to the monthly charge, we do ask for payment in advance to cover production and erection costs of £125 per sign. There is also a £100 administration fee. These charges are payable with your application.

All costs are subject to VAT.

The licence agreement

A licence is required to permit you to advertise at our roundabouts – a copy can be provided on request or downloaded from our website www.westlothian.com/pmd. You should satisfy yourself of the terms offered before making a decision. We are happy to explain the terms if you have any particular questions.

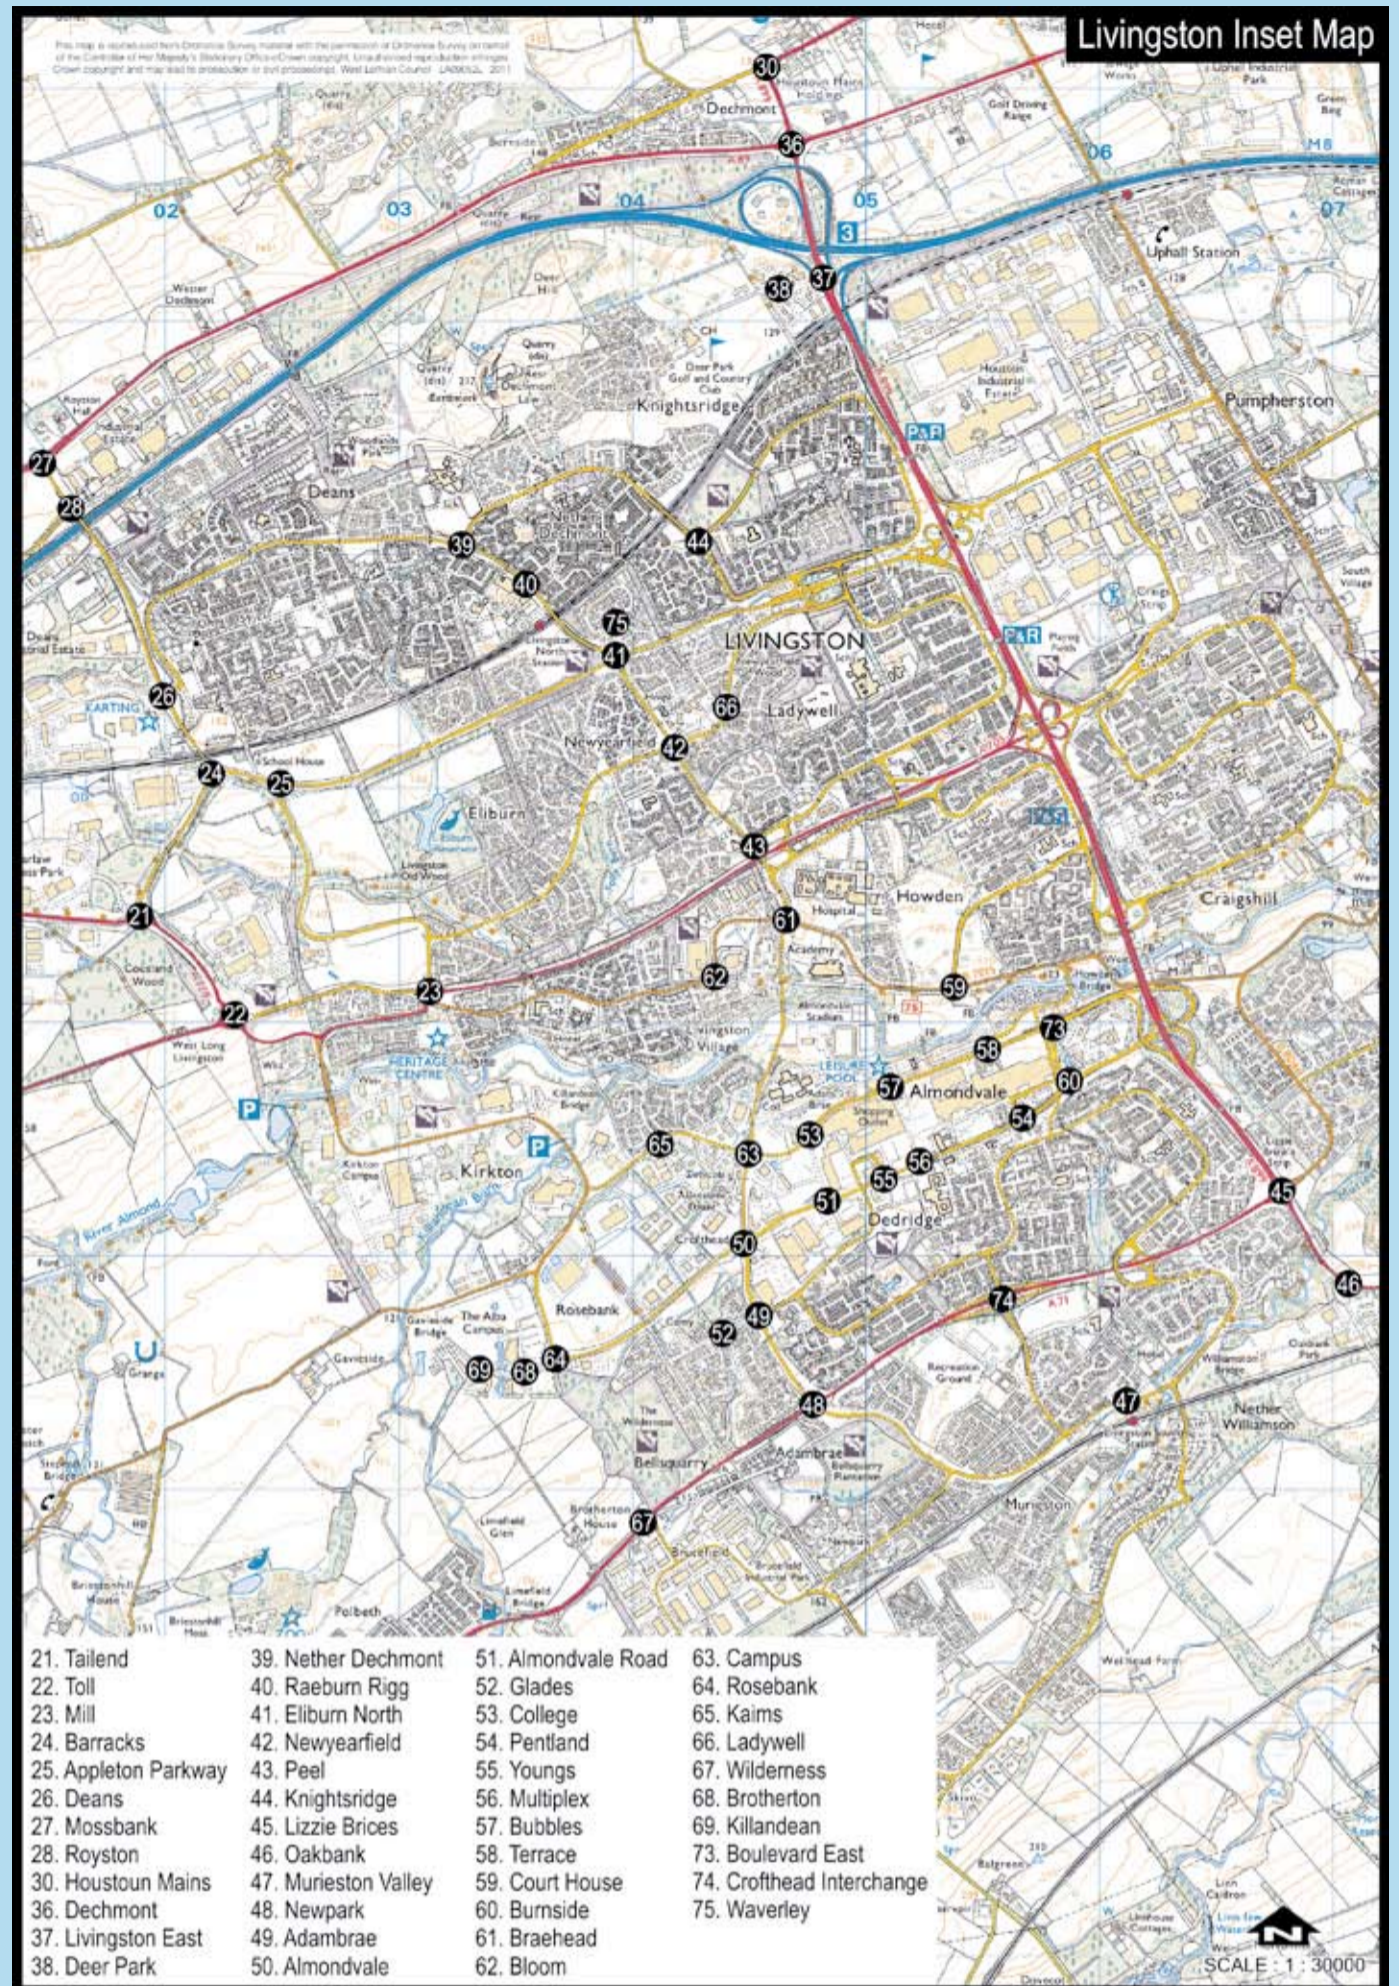

To allow you to spread the cost of advertising throughout the year, payment is by easy monthly Direct Debit.

How to apply

If you are interested in the scheme please complete our application form - available on request or by downloading from www.westlothian.com/pmd. Your application should indicate the locations and number of signs in which you are interested.

After our acknowledgement of your application you will have to provide artwork for the signs, for approval. This should be a high resolution jpg file, with confirmation of the pantone colours to be used. However, if you do not have the facility to provide the necessary artwork, we will be happy to arrange this for you at an agreed cost.

Once the artwork is agreed we will arrange for the production and erection of the signs. We aim to have the signs in place within six weeks of the finalisation of the artwork.

When the date of erection is confirmed, you will receive a licence agreement for you to sign, a Direct Debit form to complete and an invoice for the initial payment. Payment of the first instalment of the monthly charge should be returned with the signed licence and completed Direct Debit form.
