**SCREENING DETERMINATION UNDER SECTION 8(1)**

West Lothian Council has determined on 15 January 2021, in consultation with Historic Environment Scotland, the Scottish Environment Protection Agency and NatureScot, that Supplementary Guidance relating to 'Developer Contributions Towards Transport Infrastructure' is unlikely to have significant environmental effects when considered in relation to the criteria set out under Schedule 2 of the Act. It has therefore been concluded that Strategic Environmental Assessments (SEA) are not required. No environmental reports will be prepared alongside the Supplementary Guidance relating to 'Developer Contributions Towards Transport Infrastructure'.

Copies of the screening determinations and the reasons for these conclusions are contained within the individual Screening Reports which can be viewed at [www.westlothian.gov.uk](http://www.westlothian.gov.uk) or at the offices of West Lothian Council, Civic Centre, Howden South Road, Livingston, EH54 6FF.
