

Kirkhill Toddler Playpark

Due to some requests from local residents, and because there's no toddler play equipment in the Kirkhill area, the council has drawn up a proposal for a toddler playpark in the large area of grass on Maull Road.

Kirkhill Toddler Playpark

This is the proposed layout of the play area. As you can see, it would use up about 20% of the space, the existing trees would remain and more trees could be planted

Kirkhill Toddler Playpark

This is an artist's impression of the 7 pieces of equipment planned for the site

It includes:

- 1 multi-unit
- 1 roundabout
- 2 springers
- 1 rocker-seesaw
- 2 toddler swings
- 1 bench
- 1 bin

Kirkhill Toddler Playpark

Here are some photos of other toddler playparks in West Lothian, to give an idea of size

Toddler playparks are designed to fit in close to houses, so they are easier to get to with small children and grandchildren.

Kirkhill Toddler Playpark

Some playparks that are suitable for older children can be a problem when they're close to houses, so our toddler playparks have smaller equipment and are designed to hold little interest for older children.

Kirkhill Toddler Playpark

We hope to construct a play area for older children at a later date, at the other end of the development, further away from houses...

Kirkhill Toddler Playpark

We would like as many Kirkhill residents as possible to give us feedback on our toddler playpark proposals. Please click on the link below to give us your views.
