ONLINE FEEDBACK PROVIDED	Date received: 12 th May 2025			
	Total cost of work: £100			
	Description of work: Investigation of noisy hot water system and replacement of a ball cock. Also took time to familiarise me with the system and gave welcome recommendation of a fitter to replace tank at a future date should I decide to tackle unrelated water pressure issue.			
	Comments: Helpful clear communications and can do attitude took me aback. Not all traders inspire confidence but his professionalism and competence were displayed throughout. Fixed my issue quickly, within estimate and without fuss. I'm very happy to recommend BoilerServe to others

ONLINE FEEDBACK PROVIDED	Date received: 4 th April 2025 Total cost of work: £75 Description of work: This was our annual boiler servicing. Comments: I would highly recommend this trader. Their communication is great and they are very professional and friendly. They have also taken time to answer multiple queries we've had outside of the visit, which has made it a really simple to get more information, outside of what we had booked them for, which is much appreciated. We have always been very satisfied with both the work and time frame, thank you!

ONLINE FEEDBACK PROVIDED	Date received: 3 rd April 2025 Total cost of work: £110 Description of work: Full Boiler Service (Annual). Comments: Peter has been servicing my boiler for the past few years following a recommendation from a friend. He always communicates well, reaches out to remind me when the service is due, turns up on time, and is always polite and respectful. I wouldn't hesitate to recommend him. What's more, is that he's great value for money compared to big brands who often charge up to 50% more (from quotes I've received). Received the certificate within minutes of job being completed. Highly recommend.

ONLINE FEEDBACK PROVIDED	<p>Date received: 6th April 2023</p> <p>Total cost of work: £65</p> <p>Description of work: Recharged the Expansion Vessel and also found the source of a water leak in the cabinet.</p> <p>Comments: The water leak could have been a much more serious and expensive problem. Peter advised me it would be much cheaper to get it done via the boiler manufacturer and ensured I knew the exact words to use to get the cheapest deal. However, when he found the loose connection, he said to wait. He came back three days later and there was no leak! No expensive repair and no charge for the second visit. Peter is an honest and trustworthy man!</p>

ONLINE FEEDBACK PROVIDED	<p>Date received: 21st October 2021</p> <p>Total cost of work: £85</p> <p>Description of work: Boiler service, radiator valves looked at/replaced, radiators bled.</p> <p>Comments: Cannot praise Peter enough. Good communication from the first contact. Great price (he only does boiler servicing that's why he is such a good price) great with our dog. We had our boiler serviced and he was looking at our radiators/valves. Several valves needed replacing and to keep our costs down, he showed us how to do it and informed us what ones we needed to get from Screwfix. We will definitely use him again in the future. Thanks Peter.</p>

<p>Total cost of the work £ 220</p> <p>Description of the work undertaken: <i>No hot water coming from boiler. He asked ? to do some tests to reduce guess work. By completing these test, was efficient in diagnosing cause. He efficiently replaced said part - heating element.</i></p> <p>Your comments: <i>Peter was very meticulous in his work - even though there was a few moments where challenges occurred he never added to the original cost of the job. He did the job efficiently in a very professional manner. I would phone him again if anything with my heating was to occur.</i></p>	<p>Date received: 15th June 2021</p> <p>Total cost of work: £220</p> <p>Description of work: No hot water coming from boiler. ONLINE FEEDBACK PROVIDED	Date received: 25 th February 2021 Total cost of work: £150 Description of work: Boiler and radiator service. Securing flu with bracket in attic to meet regulations. Comments: Peter was outstanding. Very friendly and nothing was too much trouble. He also travelled into Edinburgh in the very cold snap to service my elderly Mum's heating and get lounge radiator working. He also called out in an emergency when my daughter's heating broke down on another very cold day. Attended in a few hours and had it fixed in an afternoon. We wouldn't hesitate to recommend Peter.
