ONLINE FEEDBACK PROVIDED	Date received: 27 <sup>th</sup> March 2025  Total cost of work: £980  Description of work: Supply and fit new Mira Sports shower. Supply and fit replacement pull cord and switch for shower. Supply and install of new consumer unit.  Comments: Michael and his apprentice were a pleasure to deal with and were very thorough with associated safety checks relating to the install of a new consumer unit which gave me peace of mind about the quality of their work - especially given the age of the previous unit I had in use. The works were completed on the date agreed and in line with the estimate. Very happy with the service and have already booked them for further work. Wouldn't hesitate to recommend them.

ONLINE FEEDBACK PROVIDED	Date received: 2 <sup>nd</sup> November 2023  Total cost of work: £80  Description of work: We had a power failure (not a power cut - only our house was affected). RCD on consumer unit kept tripping and we couldn't see why despite trying all methods of fault-finding.  Comments: Michael and young Brandon came out at short notice and did an excellent job of quickly diagnosing and fixing the problem (it wasn't straightforward), and at a very reasonable price. Prompt and efficient service. Highly recommended.
