

Annual Supplier Survey 2022 – You Said, We Did

We Asked	You Said	We did
Is there anything else we can do to help you, or improve our service?	<p>Dear WLC,</p> <p>To date we have never won any WLC contracts. We do work for other local authorities but not WLC. (We have only received a few ITT's).</p> <p>I know from our experience/contracts within the private sector that we could be a "second to none" partner to WLC as a reliable and robust cleaning arm. Our team are highly trained (IPAF, CSCS, TA, AA, FIRST AID etc) to enable them to work on sites for some of our main clients, TESCO, AMAZON,SUPERDRUG and others.</p> <p>I look forward to receiving ITT's from WLC. As soon as I see one which I think we would be a great match I will offer WLC rates we offer no one else because you are my born and bread local authority and I would like to help my local community!</p> <p>Best regards</p>	<p>Thank you for your interest in working with West Lothian Council.</p> <p>The council advertises all of its contract opportunities in line with Scottish Government Guidelines. Any requirement that is £49,999 and below for Goods and Services, and £249,999 for Works, will be advertised via the Public Contracts Scotland Website in the form of a Quick Quote. Requirements £50,000 and above for Goods and Services and £250,000 for Works are advertised on Public Contracts Scotland (Contract Notice) and Invitation To Tender (ITT) published on Public Contracts Scotland Tender</p> <p>Registration on both platforms is free to do so and WLC would encourage any supplier to sign up to be able to view and upcoming contract opportunities across the Scottish Public Sector.</p> <p>The council also publishes its current live contracts on the West Lothian Council Procurement Webpages.</p>
