# OVERVIEW

---

West Lothian Development Trust (WLDT) was established to administer community benefit money received from wind farm developments in West Lothian. The fund supports communities and projects located or operating within 10km of any wind farm development.

The trust is comprised of members from the communities within 10km of the developments, West Lothian Council, and the windfarm developers. The adopted community benefit policy states that 70% of all funding received by the trust will be spent in communities within 5km of that windfarm development, and the remaining 30% will be spent within 10km.

The fund supports projects which meet one or more of the following priorities:

- **Relieve poverty, advance education or social purposes beneficial to an eligible community.**
- **Promote and encourage environmental improvement or enhancement.**
- **Secure investment, create employment, implement training, promote or secure sustainable development.**
- **Provide or assist in the provision of renewable energy.**

In the financial Year **2022-23** the trust administered five grant funds; Blacklaw, Pateshill, Harburnhead, PearieLaw and Tormywheel. All grant funds have two strands of funding; a small grants fund of up to £2,000 and a main grants fund of up to £25,000. A maximum of 70% intervention rate applies to the main grants.

**TO DATE THE WEST LOTHIAN DEVELOPMENT TRUST HAS RECEIVED £2,749,194.77 IN FUNDING FROM THE FIVE OPERATIONAL WINDFARMS.**

**IN 2022-23 THE WEST LOTHIAN DEVELOPMENT TRUST RECEIVED £369,233.35 OF FUNDING FROM FIVE WIND FARMS AND DISTRIBUTED £379,923.29**

# INFO ON ANNUALLY FUNDED ORGANISATIONS

BELOW IS SUMMARY OF SOME OF THE ACTIVITY THAT WAS UNDERTAKEN AS A RESULT OF THE FUNDING PROVIDED TO BOTH ORGANISATIONS.

## **WEST CALDER AND HARBURN COMMUNITY DEVELOPMENT TRUST - £32,375.37**

West Calder and Harburn Community Development Trust has primarily used the community benefit receive in 2022/23 of £32,375.37 to fund the organisations core staff. The staff have levered in around £370,000 in additional funding in the last year; managed the Community Woods & Garden: Polbeth and West Calder project and developed a long-term plan for its development; managed and developed, in partnership with West Calder Community Education Association, the local community café and food delivery project – The Brunch Club; oversaw delivery of a range of popular community events (including West Lothians largest free-entry fireworks display); supported Easter Breich Woodland Community Group in its first year of ownership of the woodland; provided funding and support for a number of local community projects and secured £3.5million in funding to support the development of The Scottish Cooperative Discovery Centre.

The West Calder and Harburn Community Development Trust takes its priority activities from its local Community Action Plan as its guiding strategic document.
