AVERAGE SATISFACTION SCORE (OUT OF 10): 9.8

The following feedback forms have been completed by previous customers, rating their experience of dealing with Lothian Monoblocks & Landscapes Ltd.

<table>
<tr><td rowspan="2">ONLINE FEEDBACK PROVIDED</td><td colspan="4">Date received: 19 November 2026

Total cost of work: £5000

Description of work: Remove existing patio areas of varying materials and replace with new materials. All spoil and redundant material to be removed. Back door steps upgraded to match the new patio area.

Comments: The work started earlier than planned and finished in two and a half days. The team worked steadily, methodically and efficiently despite one very wet day. The team were punctual, courteous and worked as a team to great effect. The work was very well executed and the results are better than I anticipated. Altogether a very professional team and one I have asked to quote for some additional work. Our cat has now decided that the top step is his new lounging spot. There can be no higher praise.</td></tr>

Total cost of the work £ 8,000

Description of the work undertaken:

REMOVE EXISTING MONOBLOCK DRIVEWAY AND EXISTING LAWN. RENEW WITH SAME.
REDUCE HEIGHT OF BOUNDARY WALL. ADD COPING STONES.
REPOINT AND JETWASH PATIO TO REAR.

Your comments:

A CHEERY HARDWORKING TEAM WHO GOT ON WITH THE JOB IN SPITE OF THE CHALLENGES. THE ORIGINAL PLAN WAS FOR THE EXISTING MONOBLOCKS TO BE RELAID AND WERE JET WASHED IN PREPARATION. UNFORTUNATELY, THE BRICKS HAD BEEN LAID 36 YEARS EARLIER USING CEMENT. NEW BRICKS HAD TO BE PURCHASED. THEY HAD QUITE A TASK REMOVING ROOTS OF A 50 YEAR OLD CHERRY TREE FROM THE EXISTING LAWN.

Date received: 14th November 2024

Total cost of work: £8000

Description of work: Remove existing monoblock driveway and existing lawn. Renew with same. Reduce height of boundary wall. Add coping stones. Repoint and jet wash patio to rear.

Comments: A cheery hardworking team who got on with the job in spite of the challenges. The original plan was for the existing monoblocks to be re-laid and were jet washed in preparation. Unfortunately, the bricks had been laid 36 years earlier using cement. New bricks had to be purchased. They had quite a task removing roots of a 50 year old cherry tree from the existing lawn.
