90,001	-	100,000		1274	Thereafter each additional £100,000 (or part thereof) increases the warrant fee by				315
100,001	-	120,000		1402					
120,001	-	140,000		1530					

Calculating the Building Warrant Fee

Please note West Lothian Council may seek evidence for this figure, and make comparisons with established independent indices of building costs such as the B.C.I.S. published by the Royal Institution of Chartered Surveyors

The values are based on the current market values and not DIY costs.

Building Standards Section

The Building (Fees)(Scotland) Amendment Regulations From 1 April 2025

WHEN WORK HAS NOT STARTED PRIOR TO THE APPLICATION		£
Conversion Building Warrant application for conversion only, that is without any building work-		210
Demolition Building Warrant application for demolition only, that is where there are no immediate plans for rebuilding nor stabilisation of neighbouring buildings-		210
Amendment to Warrant (Value increase by £5000 or under) Amendment to Warrant application where new total estimated value is less than original or is an increase of no more than £5000, OR application for demolition or conversion as above -		150
Amendment to Warrant (Value increase by more than £5000) Amendment to Warrant application where new total estimated value increases by more than £5000 - calculate fee from table above based on <u>extra value of work</u>		Fee from table above
Amendment for Further Stage of Staged Building Warrants Amendment to Warrant application, unless the estimated value of the works has increased in which case the fee appropriate to that value is payable.		150
Extend Period of Validity of Building Warrant. Application to extend period of validity of building warrant. This must be made prior to building warrant expiring (3 years from date of issue) and are at the discretion of the Council.		150
Facilities Solely for the use of disabled persons Application to provide facilities solely for the use of disabled persons within a dwelling. , e.g. a better way of entering or getting around inside the building or installing sanitary facilities. The fee for this part only will not apply. NOTE: If further works are involved then the value of the works will relate to these other works and the normal fee from the table above apply to this portion of the works. For advice contact the Building Standards Section		NO FEE
