ONLINE FEEDBACK PROVIDED	Date received: 15 th September 2025			
	Total cost of work: £9000			
	Description of work: restoring and double glazing my traditional sash and case windows in the conservation area of Dunbar.			
	Comments: Callum and his team have done a fantastic job restoring and double glazing my traditional sash and case windows. Communication, workmanship, and doing what they said they would do when they said they would do it, has all been first class. Callum has always answered my many questions very promptly and patiently, and has absolutely gone the extra mile. This is an extremely professional and reassuring company to do business with. Highly recommended.

ONLINE FEEDBACK PROVIDED	Date received: 17 th July 2025 Total cost of work: £4500 Description of work: He replaced 5 front doors for me. Removed old doors and disposed of. Fitted new PVC double glazed doors. Came back to adjust one door that didn't fit quite right. (Within 4 hours of being told of fault). Comments: Excellent service from start to finish. 6 weeks from measuring up to paying invoice. I think this was really good as the doors have to be made. Gave me lots of choices of styles and colours.

ONLINE FEEDBACK PROVIDED	Date received: 16 th July 2025 Total cost of work: £2341.20 Description of work: Cut out and repair a failed expansion joint on a concrete factory floor (13m). Process: Removed existing expansion joint, cast new flexible repair with epoxy based concrete, cut a new expansion joint, clean up work area. Comments: Work was completed quickly and on time. Work was to a very high standard. The contractor scheduled the work to prevent any impact on manufacturing. Left the work area clean and conducted the work safely.
