YOU SAID	WE DID
Would it be possible to come to the family centre at different times from the mini bus, as it doesn't suit my wee ones sleep times.	Yes, you can self-transport into the family centre and if needed we can help you with the cost by providing you with a bus pass.
Can you help me learn about first aid, I always worry I don't know that's the right thing to do?	We said – YES! Our parent group worker has arranged basic first aid training for all parents who are interested.
