

FEEDBACK: You said we did

| YOU SAID | WE DID |
|--|---|
| It would be useful to have additional classes on questions on weaning and sleep. | We arranged more weaning groups over the course of this year in other localities as well as offering informal parents session on helping your baby to sleep with our existing groupwork programmes. |
| It would be useful to learn more about first aid. | We have offered a baby first aid session as part of our “New Mums Group” in East Calder as well as offering a one off Baby First Aid within out baby groups/baby massages group in Armadale and Phillipstoun. |
