LIFE'S MORE FUN WHEN YOU SHARE

SHARE A LIFT. SHARE THE COST. SHARE A SMILE.

WHAT IS LIFT-SHARING?

Lift-sharing (or car-sharing) is when two or more people share their cars and travel together. It helps you to:

REDUCE TRAVEL COSTS
Regular car-sharers save on average £80 per month!

CUT CONGESTION AND POLLUTION
Lift-sharing reduces traffic & cuts damaging CO₂ emissions.

MAKE NEW FRIENDS
Car-sharers have reduced stress because they enjoy a sociable drive and often become friends for life.

(You don't even need your own car. Many drivers are happy to offer a lift in exchange for a contribution to petrol costs!)
